Porcelain Pitchers

2026

W H I T E DIRT

JUGS are the kind of objects we overlook until we need them—quiet companions in daily life.

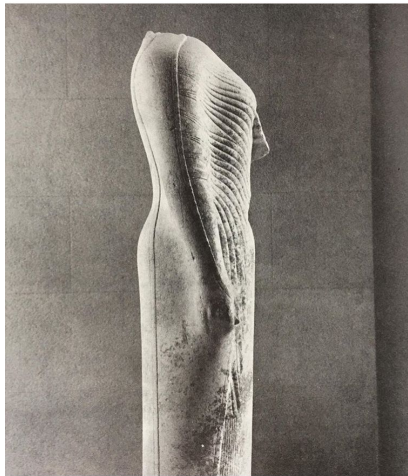

A container with a handle and a spout.
Something that holds and something that pours.

Our third porcelain collection of vessels reimagines these everyday objects as sculptural forms with a basic function.

Consists of three porcelain pitchers.

Slip cast porcelain
Glazed interior / matte exterior
Food safe

Made in San Francisco

Inspired by:

Henry Moore's 'Large Standing Figure: Knife Edge'.
North African structure made of vessels.
Archaeology like Hera of Samos.
Bauhaus/international style architecture.
