Porcelain Pitchers

2026

W H I T E DIRT

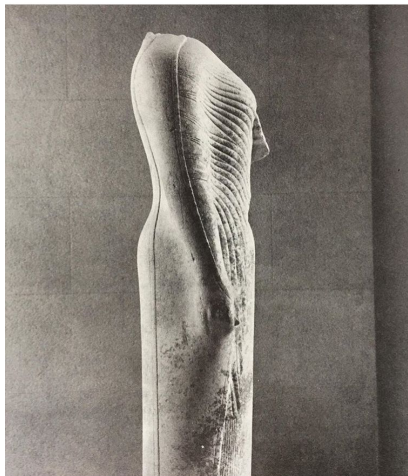

JUGS is a collection of functional porcelain pitchers that re-imagine an everyday object as sculpture.

Our fourth collection of vessels alludes to themes common throughout our work: architecture and the human form.

Consists of three porcelain pitchers.

Handmade in our San Francisco studio, each piece is slip cast in porcelain and produced as an open edition.

Inspired by:

Henry Moore's 'Large Standing Figure: Knife Edge'.
 North African structure made of vessels.
 Archaeology like Hera of Samos.
 Bauhaus/international style architecture.
