Side Tables

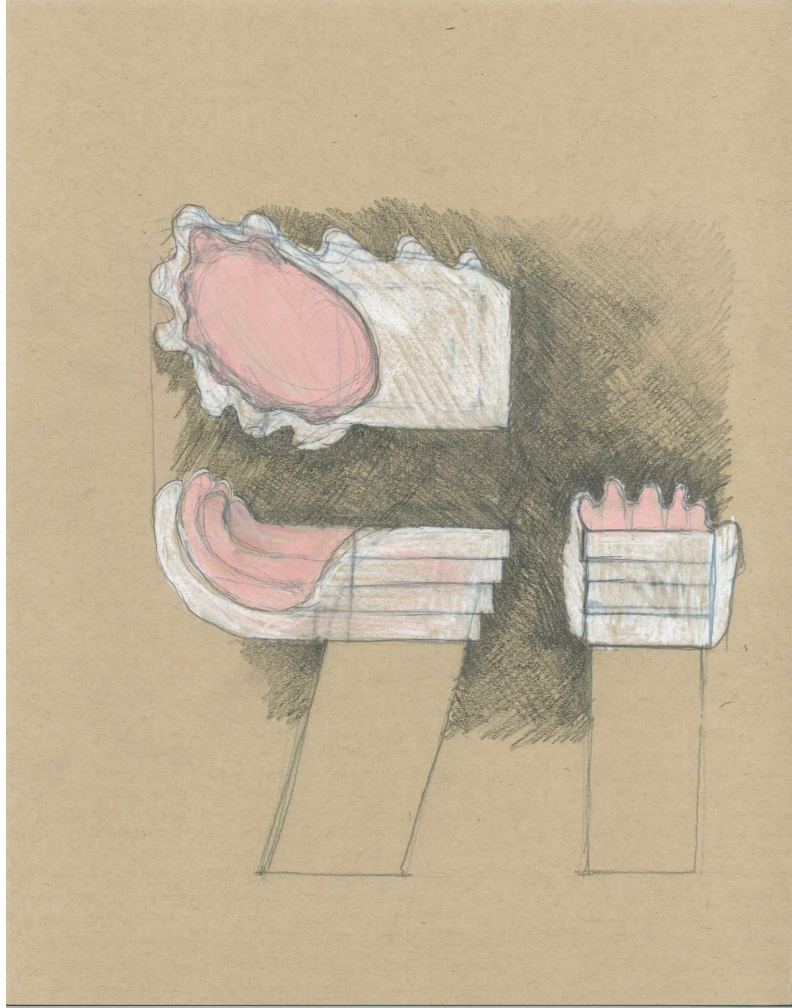

W H I T E D I R T

"Growing up, my grandmother had a Corinthian pillar made of wood on which she placed a giant bowl, always filled to the brim with lemons." - Dana

OFFERING is a collection of side tables inspired by this warm memory. Consisting of elevated surfaces and bowls, each piece is made to hold everyday objects as tributes and tokens of esteem.

White gypsum and wood locally sourced in the Bay Area.

Handmade in San Francisco
